Ride on time

Having sex with my boyfriend on his motorbike is the sexiest thing.

Last night he'd just come back from a ride and driven into the garage.

I came in and seductively removed my knickers, T-shirt and bra. Completely naked, I started to unzip his jeans, desperate to get hold of his cock! His dick sprang free, a good six inches in size and about as thick as my wrist. With the bike still purring I swung one leg over and stood just above his cock, rubbing the head against my wet pussy.

I placed a hand on either of his shoulders and sat down, taking his cock from head to base in one movement. I groaned as I felt it inside of me, then started sliding up and down on it, determined to use the vibrating engine and this thick cock for my own pleasure! I pushed a breast towards his mouth and let him suck on my hard nipples as I continued fucking him.

I was dripping wet and all I wanted to do was take even more of his cock! I stood up and turned around, my hands on the handle bars and my pussy sliding down his huge shaft again, this time my clit picking up the vibrations from the bike even more.

I groaned loudly as I orgasmed, my ass bouncing up and down hard.

With that, he started cumming inside of me, my cunt filling up with his hot seed. I felt all of it deep inside me and continued milking him until he had none left!

My boyfriend tucked his dick back in and took me back inside for more fun! *Tessa, West Sussex.*

I milked his prick till he was empty

Feeling Hornby

Setting off to pick up my hubby James from the station I wore nothing more than a black leather trench coat, striped black stockings, a pair of black ankle boots and my best smile.

Every time I hit a red light my hand instantly wormed its way under my coat so I could finger my pussy and play with my clit rings. By the time I pulled up in the car park I was shaking from my first orgasm of the day!

I didn't have long to wait on the platform before the train pulled in and I spotted James standing in the carriage doorway. I unfastened my coat and pushed it back over my hips so he could have a good look – his eyes nearly popped out. Needless to say so did

a lot of the other passengers on the train judging by their ear-to-ear grins! I felt so horny with all those hot eyes staring at me. I knew what to expect when he got me home, but it was me who was in for a surprise.

After a few seconds I pulled my coat closed and gave him a big hug. I could feel the bulge of his cock pressing against my pussy as we kissed, so I reached down and stroked that big pork sword through his trousers.

I don't know what the other passengers were thinking as the train pulled away but I could guess. We waited a minute or so while the station emptied then he took me by the hand and led me in to the platform shelter. Within seconds I was sat on the back of the bench seat, my coat wide open and James' hot tongue lapping at my pussy. I told him I'd just brought myself off in the car and this seemed to spur him on even more as he sucked my pussy lips and flicked my clit rings, doing his best to lap up my hot sticky lady juice.

He then pushed two fingers inside me and started to suck on my hard nipples while I reached down and unzipped his trousers. His fat cock instantly sprang out so I massaged his bell-end with my finger tips before running my fingers down the shaft.

When I got to his bell-end again pre-cum was dribbling out so I ran the end of my fingers around it before putting them in my mouth and sucking off that sticky, salty cum.

We swapped places so I could suck him off – he was really turned on and moaned loudly as I sank my red lips all the way down his shaft to his balls. I've never felt him so big so it was a bit of a struggle and it wasn't long before my mouth was aching with the effort.

Sitting down again I begged him to fill me up. Spreading my legs he rammed his cock in to me as far as it would go before picking up a faster and faster rhythm. I knew it wouldn't take me long so I gripped his hips and forced his cock deep inside me and held him there while my pussy muscles went in to a spasm with my second orgasm.

Seconds later James pulled out and jetted his jizz all over my tits and face, I didn't think he would ever finish. I could feel it running down my face so I licked my lips and took it in to my mouth.

He told me to bend over and before I could resist he was pounding my pussy from behind, his ball-bag slapping against my clit rings, my cum-covered tits wobbling wildly, his cum running off my chin. His breathing grew louder and my clit tingled it was so sensitive, as we came together.

Walking back to the car a young guy approached who had recognised me from *Escort*. He said he'd been spying on us and was going home to have a wank now!

Sheila, West Yorks.

His ball bag was slapping against my clit rings

Receptionist Laura (29) would be more than happy for the accountants she works for to give her figure the once-over. But the money mad boffins are more into spreadsheets than spread legs. "I work in a really quiet office – most of the men are old and stuffy, and I've often had to sneak off to the loo with a dildo just to keep me sane. But there's a new partner I'm working on. I'm going to flash my tits at him in the morning, my bum at lunchtime and get him into the boardroom for a big rise by 5pm!"

They both vibed my clit till I was begging for mercy

Flap mates

One weekend I went to visit my parents, but got back earlier than usual. As I let myself in, I heard my lesbian flatmates Beth and Sammi fucking and not holding back on the volume.

I felt the juices start to well up in my pussy and tiptoed to the door of their room to listen. It was so sexy, they were moaning so loudly, and I slipped a hand down inside my trousers.

Then, as I shifted position, splaying my legs wider, I trod on a creaky floorboard.

I froze and the girls suddenly went quiet. Then Sammi piped up, "We know you're listening, Helena. Come in if you like."

I did, and found them naked and horny, Beth under the sheets but Sammi sat up with her tits on show – by the look of them it had obviously been a bit of a session already! I perched on the end of the bed, mortified, trying to apologise but they were just giggling.

Sammi said that if I was curious about exploring that side of my sexuality, I could join them. They exchanged a look, then Sammi pulled the sheet aside. They were both gorgeous – Sammi was slim but well stacked, while Beth was curvy and cuddly – really soft to snuggle up to!

They told me to take it easy, to let them do all the work, so I just laid there, Beth snogging me and playing with my tits while Sammi went down on me. Sammi homed in on my clit and G-spot and the next thing I knew my twat was clenching like a vice around her fingers, tightening around them as I came.

I'd only ever tasted my own pussy but now I moved into position, drinking down the honey from Beth's hole.

My tongue and fingers were a bit hit and miss, but she told me what she liked. Plus, she was so turned on she had to cum some time!

When we'd all cum, Sammi pulled out three vibrators from

£120

the bedside cabinet. I'd never even tried one on my own and started plunging it in and out of my cunt.

Soon I was sucking tit and eating pussy, fingering Sammi while Beth sucked her clit and she vibed her own nipples.

Then Beth started to vibe Sammi's clit and I suddenly realised that's how you used toys. Too bad they wanted me to wait, "saving the best 'til last"!

Forget frustration, it was agony, watching Sammi hump herself half off the bed while Beth frigged her without mercy. Then the two of them were sixty-nining, amazed and chuffed when I suddenly moved in behind Sammi, tongue tingling from the vibrator on her clit as I licked her pussy.

At the end, a huge, soft-feel dildo was slid up my cunt, then they both vibed my clit and arsehole until I was screaming for mercy. I'd cum, then cum again and just when I thought I couldn't bear it, another spasm would shake me. The last thing I remember before drifting off was lying back, with about nine inches of dildo crammed up my soaking pussy, and Beth and Sammi snogging over my spread, naked body.

I'm still the odd one out but I can borrow their toys whenever I want. I've asked them to take me out to a lesbian bar to introduce me to some of their friends… things are getting interesting!

Helena, Bath.

MILF Ella's pussy gets so wet when she makes dirty anonymous phone calls to her neighbour. "I'm really turned on by this sexy thirty-something who lives across the street. I go to a call box at the end of the road and in the foul-smelling interior I call her number. I breathe heavily down the line and in a husky disguised voice tell her that I'm watching her and wanking over her. She doesn't say anything back but I can tell she's intrigued as I tell her all the filthy things I want to do to her pussy. She never hangs up..."

KAYLA

"My Christmas fantasy is to seduce a young virgin boy while my dirty boyfriend watches," confesses dusky darling Kayla. "With a virgin I can do whatever I want. He won't be able to stop me having my wicked way with him. Then when I've drained his balls of the last drop of spunk, my boyfriend will step in and fuck my sloppy pussy hard till I spasm round his thrusting rod!"

Snatch me if you can

Ten years I've been fucking, and so many people, male and female, have told me I've got the wettest pussy they've come across!

Gemma, Norfolk

on his cock, jamming it in between my arse cheeks, so he could rub up and feel my river of juices soak his crotch and balls. He'd be so hard and horny by the time he got inside me, he wouldn't last that long.

So I'd vibe myself to another quick cum while he clit and I could feel the juices well up then drip and splash all over her boobs. I got an appreciative moan but no surprise as normally happens.

I soon found out why. As she was on her back, most of her juices were running down her arse-crack, but there were plenty of them, about the same as mine.

I'm good at sucking pussy – another thing I've been told – and the wetter it is, the better. I just shut my eyes and lap it up, letting all the folds and flesh slide in between my wet lips. If a girl's at all orgasmic, you'll make her cum in the end, guaranteed.

Emma did cum and, when it happened, she actually squirted a little jet of creamy juices into my mouth. As we cuddled up in bed, titting each other up and talking dirty, I mentioned it and asked had I squirted. She said no,

£120

She squirted cum juice up my cunt like she was a man

Most of them like to believe it's down to them turning me on – I let them think that, but I know it's just how I am!

One bloke would lie back and let me kneel up straddling his head, so he could use a finger or vibrator on me. He loved to watch the juices soaking my inner thighs.

Then he had me just sit watched the spunk and juices soak out of me.

I finally met my match and found out just how sexy a really wet cunt can be when I got off with Emma. We didn't mess about, we just got back to mine and got naked, me crouching over her in a sixty-nine.

She was sucking on my

and I felt a bit let down. Then she told me she hadn't used to – she'd trained herself.

She'd been in bed having a frig, and trying to find her G-spot. She'd read in some magazine that cumming from this could be mind-blowing. It had hit her hard and sudden, so much so she'd seen stars.

She'd felt some kind of spurt, but couldn't be sure, but later on she'd wanked herself with a mirror between her legs, and had seen that she could actually squirt.

She warned me this wasn't some magic trick that worked on everyone, but that it might on me because my cunt was so naturally juicy. She went down on me again, with me

on my back, and as she mouthed my clit she crooked a finger and found my G-spot – my screams and moans told her she feeling was in the right place!

I've never cum so hard in my life. It hit me and wouldn't stop. I felt my pussy jerk tight a couple of times, then Emma's face appeared – I'd cum all over her cheek. But she kept on frigging me, then wet her hands in my juices and rubbed them on her stiffening boobs.

We've got together once since, and it was even more incredible. We were rubbing up snatch to snatch, and Emma seemed like she was cumming up mine, like a bloke spunking. I hope we'll meet up again soon!

Gemma, Norfolk.

Muff driver

Nathan, my driving instructor, wasn't my usual type – he was a bit geeky and lanky looking.

He never quite rose to the bait until one day when he called round at my place to pick me up for a lesson, and I came out in a pair of high-heeled boots. He said, he was sorry, but they weren't suitable for driving – they might stop me operating the pedals safely. Plus, he added, they'd probably give him a stiffy, too.

I went in to change them, and asked him in too. For the first time he knew he'd talked himself into all sorts of trouble. "I'll pay for the lesson, whatever," I told him.

That probably didn't help his conscience any, but it shut him up long enough for me to take advantage! I kissed him and then he kissed me right back, his tongue flicking in and out of my mouth.

Shellie, Stockton

He still looked a bit awkward when he came up for air, so I told him not to worry – he didn't have to fuck me, he could just fuck my tits.

I stripped naked apart from my horny boots, and let him have a suck on my nipples. Meanwhile I grabbed a handful of his cock, wanking him to total hardness. I wanted to lube up with my own pussy juices, but he didn't want his wife smelling my sexed-up snatch on him, so I used unperfumed body lotion instead!

It looked like cum splashes on my tits, and then I dropped down to my knees and started smothering his dick and balls in it too. While I took care of his tackle, he played with my globes, squashing them around his length. Then, when it was buried in between them, he started fucking in and out.

He had a nice beefy cock, and the feel of it reaming my deep cleavage made the wait well worth it. Even so, we didn't have long.

I told him to let me know when he got close to cumming, but he didn't actually need to. His balls shrank right back and his dick looked like it was going to burst a split second before it reared up between my tits – and I decided to swallow the evidence.

I don't think it tipped over from tit-wank to blowjob – I just rested his tip on my bottom lip and let his hot liquid jizz squirt out down my throat.

I won't be satisfied until he's fucked me properly, though, and I'm going all out to make sure it happens soon!

Shellie, Stockton-on-Tees.

His cock reamed my deep cleavage

Plus he was wearing a wedding ring. Maybe it's because I never expected anything to happen between us that I didn't have any defences up against it!

He was chatty and a bit of a charmer – his way of getting a learner driver to feel relaxed and confident. But there was more to it than that – I found myself dressing a bit sexily for lessons, and flirting when he bantered with me.

Eventually, it was like we were playing chicken. He'd say he liked my top, I'd tell him, "No you don't, you like my nice little tits."

Roll up and enjoy the fruits of Samantha's labia. "I'm always trying to see how much I can push up my mimsy," confesses Sam (23, from Southend). "I've tried bananas, grapes, cucumbers and kiwi fruit. The best thing then is getting my lucky man to eat it all out for me. Then you can fuck my squishy, sweet pussy and mix your cum with the mess!" If anything's going to turn us on to healthy eating, it's the Samantha diet!

£100 SLEEPING BOOTY!

Hubby was away with the fairies when Alison (vol 31 no 9) hooked up with a reader

Dear Escort,

After appearing in vol 31 no 9 of *Escort* in the Contact section, I received lots of replies to my photographs and here is my story.

I chose one of the letters that I really liked the sound of to get in touch with and when I texted the number he'd given me, I got a reply straight away.

His name was "Max" and as he was married he had to be careful and so had given me a fake name.

He couldn't visit for a few weeks, but we kept in touch by texting. He told me that he liked surfing and that he had longish curly hair and a hairy chest, which I love! We'd also talk on the phone when we could, and he'd tell me he couldn't wait until the day he could finally come over.

That day finally arrived last week. I opened the front door to him and instantly thought: "Wow!" I was not disappointed at all. We wasted no time and went straight to the living room (luckily, hubby was asleep upstairs).

As soon as I had closed the living room door he started to kiss me, at the same time pulling off my dressing gown so when he let me go it fell to the floor, revealing my leopard print underwear with hold-up stockings and high heeled black boots.

His eyes widened and he pulled me on to the sofa and started kissing me again but this time he started exploring my body, touching my big soft breasts and slipping his fingers in to my pants, making me very wet!

He sat back, indicating that it was my turn to explore him. I pulled off his jeans and shirt until he was just in his tight white boxers. I finally put my hand on his cock, feeling the huge hot bulge through the material.

I couldn't wait any longer, but I had to follow the treasure map he had made me as a bit of fun. It started with two kisses on the face, followed by ten kisses on the chest, then lots of kisses and licks down the legs, before finally working my way slowly back up to his "treasure".

As soon as I got there I pulled down his boxers with my teeth. I took his cock in my hand and slowly wanked him while I sucked his balls and gently fingered around his bottom. This really surprised him and he nearly came there and then!

I took him in my mouth and slowly sucked him until he came and I swallowed every drop.

Then it was my turn. He got me naked, but left my stockings and boots on and spread my legs as wide as they would go. Licking me out like an expert, I came about four times and I was soaking wet.

By now he was rock hard again and flipped me over so I was on all fours and fucked me so hard I had to bite my

lip to stop me crying out loud, which would wake up my husband. He knew about mine and Max's meeting, but works nights and wouldn't appreciate being woken up!

Max carried on fucking me until he made me cum all over his cock, before finally shooting his hot, sticky creamy cum right up inside me.

We both fell on the floor exhausted, lying there for a few moments until the naughty boy got all excited again. He pulled me on top of him so that I could ride him hard with my boobs bouncing in his face until we both exploded once more.

Since then, we have kept in touch and are making big plans for his return.He told me it was the best, sexiest day of his life and can't stop thinking about it. I have to agree because I fantasise about it all the time!

I hope you enjoy these latest photos my hubby has taken. Hopefully you'll all like what you see and will get in touch so I can have many more experiences like I did with "Max".

"Don't worry boys – either give me your own hot creamy bedtime drink or get your girl-friend to give me some 'whore-licks'. It might be bedtime but there's no time for sleep!"

To the long list of Alan Partridge's Irish clichés ("buck-toothed simpletons with eyebrows on their cheeks, horses running through council estates, men in platform shoes being arrested for bombings") he could have added "flame haired nympho-maniacs who can drink you under the table". Here's one: Irish-born Londoner Tanya. What else is there to say but: A-haa!

Kittens look cute but who cares about that when they're putting their claws through your latest acquisition from DFS, sitting on your face in the middle of the night or staring you out when you're trying to have a wank. This Kitten's cute too but has a wickedly kinky side. "Wank and finger my pussy while you're giving my ring a good rogering," the 23-year-old from Yorkshire purrs. Year of the snake

When my mate Tom (who's 39) said he was screwing a bird from Shanghai of 19, I told him to fuck off.

He had the last laugh – it was true. Xin had dark hair, a curvy body and incredible green eyes. I couldn't hide how much I fancied her and she prick-teased me something rotten.

One night after the pub, a bunch of us, including Xin, went back to Tom's. I crashed and the next day I realised he'd gone out leaving me home alone with her.

She was in the bathroom, doing her hair and make-up. All she was wearing red lingerie.

"OK, just as long as we don't screw."

I should have been a loyal mate and turned her down, but when the hell would I ever get this sort of chance again? And she'd already ditched the shirt and was touching up her gorgeous little C-cups.

Seconds later I was polishing away, dick throbbing against my palm as I saw Xin gaze at my cock and lick her lips. She kept on wiggling her arse, like she had an ache in her pussy, then she finally put a hand down to rub it better. And her fingers were sopping wet when they came out again.

As I got closer to cumming she edged into position, kneeling down and shoving her tits hard together.

I promised never to tell Tom about it

She caught me staring, but wasn't fazed. I got a wicked grin and she said she'd fuck me if she wasn't with Tom. I said I'd settle for wanking over her – meaning while I fantasised about her – but she took it literally. "What, like on my tits?" she said.

Wife story

Lisa, my wife, and I have the best sex life. What could make it better is letting horny readers hear about it.

After dinner last night she wanted afters – my big cock. It was dribbling with pre-cum, so she closed her mouth around the head of it, tonguing my tip to take it from the source.

She wasn't going to suck me all the way, though. Just as I started to feel the pleasure really build, she pulled back and straddled me again.

Her cunt was running a river as she guided my hand to it with hers. I stroked her outer labia with my fingers, then plunged them right inside. As she started wanking me, I fingered her furiously, but despite all the moans and dirty comments, I knew it would take more to satisfy her.

I wasn't wrong – she was shifting about on top of me, now playing my helmet up against her clit. I pulled my fingers out, wiping them against her tits, then she sank down on my cock, forcing out her juices to wet my bollocks.

She rode me until I started to lose the plot again, then gave me a break to get back in control as she lay back on the couch and spread her legs. I just kept watching as she fingered herself and smeared more juices on her boobs and belly.

My mouth was soon back on her sticky tits and then my cock slid back up her cunt, and this time it was going all the way. Lisa knew this and hung on for dear life, humping me, fingers raking my back and heels pumping away up against my arse. I fucked in deep as I could, and felt her tighten,

She smeared my juices on her boobs

And when I fucked a couple of strokes in between them, she didn't object.

Next thing, she tasted my pre-cum off her finger, then said maybe she'd have a little suck, just as long as I promised not to tell Tom. I just nodded – I'd never say another word again if it meant her sucking me off.

Suddenly she was sucking my helmet, tongue working against it, before her throat seemed to suddenly open right up and my dick slid in, balls grinding against her chin as she caressed them.

Next thing, she spat it out and tit-wanked me again, pressing her boobs so tight around my cock my climax was sort of muffled. I only realised how big a load I'd spunked when she backed off again, her tits totally covered.

She played with the sticky strings. Then she said she needed to shower before Tom got back. I got the message and went off to wank again.

Kevin, Manchester.

Stick shift

Four girls I overtook on the motorway liked the look of my new convertible.

As they drew level, the two on the passenger side hiked up their T-shirts to expose their naked tits. I blew my horn and gave them a thumbs-up.

They pulled right in front of me, and the girls in the back seat were now flashing their baps at me, through the rear window.

I'd just laughed it off as them buggering about, probably winding me up so they could yell "Wanker!", but they were genuinely having fun. I was right up their arse so I could see one of them squirting suntan oil over her mate's tits, then working it in. Then one of them gestured to me to overtake, and as I did the oiled-up girl pressed her knockers up against the window, squashing them flat so they looked fucking huge.

I wolf whistled at her, then again as I saw that even the driver had hiked up her shirt, to flash hers. I was laughing at how surreal all this was, but my cock was getting painfully hard in my pants.

I could have been out of there any time I liked, outpacing their shite little studenty car, but this was way too much fun. So, instead, I slowed down deliberately. A few minutes later I heard the horn and saw them pull up alongside me. This time, the front passenger had dropped her knickers and was mooning me as much as space would allow, but the girl behind her was on all fours on the back seat, knickers down too.

Her big-boobed mate was leaning over her, oiled tits resting on the tops of her bum cheeks, which was horny enough. Then she splayed the girl's bum wide apart, exposing her entire crack and slit.

As her hand started frigging up and down, I thought my prick was going to rip its way out of my pants and catch in the steering wheel.

At the next layby I picked one of them up, took them home, fucked them and took these pics. I was as responsible with birth control as I was with with my driving, OK readers?!

Pete, Surrey.

She splayed her mate's bum apart

squeezing my prick even harder. Then my balls felt like they were swelling to double the size before I spunked up her snatch.

I leant back, still inside her, fingering her clit until she unmistakably came off. It was painful around my sensitive cock, but I felt the last of my cum seep out.

She lay there, so slutty as she played with her spunk-drenched hole, and it wasn't long before we were both ready to go again – this time I wanted to shunt her from behind, feel my crotch bang up against her arse.

Jerry, Ludlow.
